Social Values

- Multiculturalism: A tendency to assume that small businesses are generally fair and ethical in their practices, committed to providing quality goods, and working in the public interest.

- Ecological Lifestyle: The propensity to give a high priority to integrating environmental concerns with purchasing criteria.

- Confidence in Small Business: The openness toward the diverse cultures, ethnic communities and immigrants that make up Canada. A belief that ethnic groups should be encouraged to preserve their cultural identities, and that others should seek to learn about them.
